

BOARD OF COMMISSIONERS OF CANDLER COUNTY, GEORGIA
AGENDA
REGULAR MEETING
5:00 P.M.
October 6, 2025

1. Call to Order
2. Invocation and *Pledge of Allegiance* – Candler County 4-H member Jaxson Douglas
3. Approval of Agenda
4. Construction Report – East Hiawatha TSPLOST Project – John Wickstrom, Sikes Paving
5. Department Reports
 - a. Candler County 4H – 4H Week Presentation
 - b. Recreation – Logan McCullough, Recreation Director
 - c. Metter Fire Department – Jason Douglas, Fire Chief
 - d. Metter Animal Control/Shelter – ACO/Chief of Police
 - e. EMS – Xavier Winkler, Director
 - f. Roads & Bridges – Jerry Lanier, Roads Superintendent
 - g. Solid Waste – Robert Hendrix, Landfill Supervisor
 - h. EMA – Justin Wells, Director
 - i. Code Enforcement – Jonathan Paine
 - j. Assessor's Office – Report Only
 - k. Sheriff's Office – Report Only
6. Approval of Minutes – September 2025
 - a. September 2, 2025 1st Regular Monthly Meeting
 - b. September 3, 2025 1st Public Hearing
 - c. September 3, 2025 2nd Public Hearing
 - d. September 11, 2025 3rd Public Hearing
 - e. September 11, 2025 Called Meeting
 - f. September 15, 2025 2nd Regular Meeting
 - g. September 19, 2025 Called Meeting
7. Citizens wishing to address the Commission – *Citizens will be allowed to address the commission individually for a period of up to 5 minutes.*
 - a. Kim W. Willman, 487 Tower Cir – Regarding prior year charges for poly cart fees
8. Application for Commission approval
 - a. Roads Closures
 - i. Consideration of a request to abandon a portion of Meridy Road beginning at the western boundary of parcel 060 011 and terminating at the intersection of Meridy Rd and the wooden bridge access
 - ii. Consideration of a request to abandon a portion of Defair Loop beginning at Dutch Ford Rd and terminating at or about the intersection of Temples Rd
 - iii. Consideration of a request to abandon a portion of Coleman Road beginning at Macwac Lake Rd and terminating at Wolfe Creek Rd

9. Old Business

- a. Consideration of options for repair and/or removal of the gymnasium located at 150 S. Register St due to hurricane damages
- b. Consideration of proposals for repairs and maintenance costs for buildings at the Metter-Candler Recreation Department
- c. Discussion regarding the Metter-CandlerCounty.com website including proposals for redesign of the site, hosting, mass communication, and discussion of next steps in the project
- d. Consideration of a proposal from Coastal Sports Turf (proposal #2) for annual overseed of limited fields and one fertilizer application at a cost of \$6,950, to be paid from the general fund
- e. Dsicussion about Silicon Ranch meeting

10. New Business

- a. Consideration of a proclamation declaring October as Breast Cancer Awareness Month in Candler County, Georgia
- b. Consideration of an amendment to the Candler County Noise and Sound Control Ordinance, Section 5.2, to amend the ordinance to restrict the discharge of fireworks near equine facilities, as proposed and advertised
- c. Consideration of a request from the County Administrator for a budget allocation to the FY26 general fund budget, information technology division (1535), for \$2,160 for software license fees to purchase annual subscriptions for Microsoft Office as part of the Windows 11 project
- d. Notification from the State Properties Commission of intent to terminate the lease of space at 25 W. Daniel St., discussion regarding the termination period, and discussion of acceptance of the notification
- e. Consideration of a recommendation from the Metter-Candler Airport Authority for the re-appointment of Mr. Ralph Clifton to the Authority Board for a term to begin on January 1, 2026 and expire on December 31, 2028
- f. Consideration if a proposal for RightSpot GIS Services from Spatial Engineering for the period of November 1, 2025 through October 31, 2026, at a cost of \$28,000 to be paid from the general fund, and as included in the FY26 budet
- g. Consideration of a resolution to provide worker's compensation coverage, under the county's agreement with ACCg, for volunteers involved in public safety and emergency management operations

11. Report from County Administrator

12. Report from Attorney

13. Reports from Commissioners

14. Report from Chairman

15. Executive Session

16. Adjournment

**Candler County
Board of Commissioners
Monday, October 6, 2025
5:00 p.m.**

The Board of Commissioners of Candler County met for the regular monthly meeting on Monday, October 6, 2025 meeting, at 5:00 p.m., in the Commissioners' boardroom at 1075 East Hiawatha Street, Suite A, Metter, Georgia.

Chairman Brad Jones presided with Vice-Chairman Blake Hendrix, Commissioners David Morales, Jonathan Williamson and Tre' Ross in attendance. Also attending were County Administrator, Bryan Aasheim; County Clerk, Kellie Lank; County Attorney, Kendall Gross and Assistant County Attorney, Cindy D. Ballew. The Metter Advertiser was notified of the meeting, Taylor Crosby was present.

Guests attending this meeting included: Candler County Sheriff's Captain and EMA Director, Justin Wells; Candler County EMS Director, Xavier Winkler; Candler County Public Works Superintendent, Jerry Lanier; Candler County Landfill Manager, Robert Hendrix; Candler County Code Enforcement Officer, Jonathan Paine; Metter-Candler Recreation Department Director, Logan McCollough; Candler County Extension Coordinator/4-H Youth Development Agent, Susannah Lanier accompanied Candler County 4-H Members, Elle Carter, Jaxson Douglas and Ollie Grace Douglas; City of Metter Fire Chief, Jason Douglas; City of Metter Chief of Police, Lewis McKinley; City of Metter Animal Shelter Manager, Deb Wallace; Animal Control Officer, Margo Hart; EMC Engineering Services, Inc., Dan Chicola; Sikes Brothers, Inc., John Wickstrom; Chad Wallace, Madison Hozey, Marcus McCray, Holt Mosely, Virginia Flynt, Kim Willman, Tim Spencer, Leon Parrish, Chris Parrish, Ricky Nevil, Curtis and Fronnie Barlow, and David Waters.

1. Call to Order

The meeting was called to order by Chairman Jones at 5:00 p.m.

2. Invocation and Pledge of Allegiance

Chairman Jones called on Candler County Senior 4H member, Jaxson Douglas, to deliver the invocation and lead the *Pledge of Allegiance*.

3. Approval of Agenda

Administrator Aasheim requested amendments to the agenda, noting three additions:

Old Business –

Item 9E: Discussion regarding a pre-application meeting with Silicon Ranch concerning a zoning application for a solar panel facility.

New Business –

Item 10F: Consideration of a proposal for Right Spot GIS services from Spatial Engineering for the period of November 1, 2025, through October 31, 2026, at a cost of \$28,800, funded through the General Fund as included in the FY26 budget.

Item 10G: Consideration of a resolution to provide workers' compensation coverage under the county's agreement with the Association County Commissioners of Georgia (ACCG) for volunteers involved in public safety and emergency management operations.

Vice-Chairman Hendrix made a motion to approve the agenda as amended and outlined by the Administrator. Commissioner Ross seconded the motion, and the motion passed unanimously, 5-0.

4. Construction Report – East Hiawatha TSPLOST Project – John Wickstrom, Sikes Paving

Project Manager John Wickstrom of Sikes Brothers, Inc. reported that the head walls are complete and the final grading is approximately 90% finished. The west end of the road has been raised by one foot, and the ditches have been deepened. Curbing and plumes are scheduled to begin the following day, with stone testing to follow. The project remains on schedule.

Chairman Jones stated that he had recently observed the site and noted that drainage along the road has improved significantly. He confirmed that the road remains closed to prevent traffic from interfering with ongoing construction.

Engineer Dan Chicola noted that stabilizing the wet slopes might require slope matting after paving is completed. Mr. Wickstrom confirmed that the paving will be done in one continuous pass. Chairman Jones requested that Mr. Wickstrom and Mr. Chicola check the grade near the animal shelter and adjacent cotton field to ensure water drainage does not flow onto the roadway.

The Board thanked the project team for their diligence in maintaining progress toward the targeted completion date of November 17th.

5. Department Reports

a. Candler County 4H – 4H Week Presentation

Chairman Jones invited Candler County 4-H members Jaxson Douglas, Elle Carter, and Ollie Grace Douglas to provide a youth presentation highlighting their activities and accomplishments. The presenters detailed a variety of 4-H programs, including District Project Achievement, scholarship opportunities, and several judging teams such as poultry, cotton boll and consumer, and life smarts. They also discussed leadership initiatives such as community service projects, the ambassador program, and travel opportunities for members. In addition, they introduced new efforts such as the Big Little mentoring program, aimed at fostering connections among younger and older participants.

b. Recreation – Logan McCullough, Recreation Director

Recreation Director Logan McCullough reported that the fall season began two weeks ago and is progressing well, despite initial challenges with the timing of the start. He stated that his primary focus has been on getting acclimated to his new role and engaging with community members. Administrator Aasheim confirmed that the new director is off to a positive start and expressed confidence in his ideas for the department's future direction. The Recreation Department Advisory Board meeting was rescheduled to Wednesday, October 8th at 6:00 p.m.

c. Metter Fire Department – Jason Douglas, Fire Chief

Chairman Jones invited Fire Chief Jason Douglas to present the Fire Department report. Chief Douglas reviewed the September fire response report (Exhibit B) and confirmed that demolition of the old fire station in downtown Metter is progressing as planned.

d. Metter Animal Control/Shelter – ACO/Chief of Police

Chairman Jones invited Metter Chief of Police Lewis McKinley and Animal Shelter Manager Debbie Wallace to the podium to provide the Animal Control report. Chief McKinley confirmed that the department can provide monthly reports to County Clerk Kellie Lank. Administrator Aasheim requested that the reports include details on the specific action taken or disposition for each call. Ms. Wallace stated that the reports already include data on reclaims, calls responded to, owner surrenders, adoptions,

euthanatized and deceased animals, with information broken down by City and County. She further reported a total of 458 calls for the year to date and 525 animals moved out. Chief McKinley concluded by inviting the Board to schedule a tour of the animal shelter. Chairman Jones accepted the information and stated he would like to schedule their next monthly field trip, which he is typically held during the second meeting of the month at 3:30 p.m.

e. EMS – Xavier Winkler, Director

Chairman Jones invited EMS Director Xavier Winkler to present the department's monthly report. (Exhibit C) Director Winkler reported a total of 190 calls for the previous month, including 40 transfers and 91 emergency (911) calls. He clarified that the "mutual aid line" on the report reflects responses provided by Candler County EMS to surrounding areas, noting 13 responses to Bulloch County since January.

Director Winkler also announced that the department has been approved for the Georgia Trauma Grant, which will fund essential training equipment. He reported that unit M3, one of the newer ambulances, experienced an electrical issue that was successfully resolved with a software update. The department continues to work toward hiring two additional EMTs to support operations.

f. Roads & Bridges – Jerry Lanier, Roads Superintendent

Chairman Jones invited Road Superintendent Jerry Lanier to present the Roads and Bridges report. Mr. Lanier reported that all equipment, including motor graders, tractors, and brush cutters, is currently operating well.

Administrator Aasheim provided updates on ongoing projects. He noted that the Oak Tree Road H&H study has been completed, though engineering work is still pending. Regarding the Portal Highway Bridges project, he stated that replacement work is expected to begin within the next couple of weeks and will require a temporary road closure. The designated detour route will use Highway 46 to Lake Church Road to Salem Church Road. The project is being funded through a \$100,000 discretionary fund and is anticipated to take 12 to 18 months to complete.

g. Solid Waste – Robert Hendrix, Landfill Supervisor

Chairman Jones invited Landfill Supervisor Robert Hendrix to present the Solid Waste report. Mr. Hendrix reported that the tank inspection has been completed and that the EPD inspection went well, with the official report pending. He noted some wear and tear on the compactor and stated that quotes have been requested for necessary maintenance.

Administrator Aasheim advised that, with the landfill now closed, the County will seek to locate and haul dirt internally to help reduce costs associated with the mandated erosion control plan. He added that landfill capacity was measured at just under three years prior to the soft closure. A recently installed camera system at the collection center has proven effective in monitoring operations and signage has been ordered.

Additionally, arrangements have been made with All Green to begin collection at the recycling center, utilizing a grapple truck to improve efficiency.

h. EMA – Justin Wells, Director

Chairman Jones invited EMA Director Justin Wells to present the EMA and Sheriff's Office report. Director Wells stated that the department monitored a tropical weather event in late September; however, activation of the Emergency Operations Center (EOC) was not necessary. He reported that the department has applied for five non-matching grants totaling \$143,000.

Director Wells also noted that a four-day enforcement operation resulted in the identification of 24 super speeders. The Sheriff's Office report, included in the meeting packet, indicated that deputies have patrolled over 29,000 miles so far this year.

i. Code Enforcement – Jonathan Paine

Chairman Jones invited Code Enforcement Officer Jonathan Paine to provide the Code Enforcement report. Officer Paine reported receiving several citizen complaints during his first three weeks in the position, which resulted in twelve violation notices, three warnings, and four court appearance notices. The violations included nuisance issues, permit violations, and animal control complaints. He also noted that he has developed customized notices and forms, collaborated with Administrator Aasheim to improve the construction permit process, and created a formal, an anonymous citizen complaint form now available at the County Commission Office.

j. Assessor's Office – Report Only

Administrator Aasheim noted that no report was received from the Assessor's Office for this meeting.

k. Sheriff's Office – Report Only

The Sheriff's Office report, included in the meeting packet, indicated that deputies have patrolled over 29,000 miles so far this year.

6. Approval of Minutes - September 2025

- a. September 2, 2025 1st Regular Monthly Meeting
- b. September 3, 2025 1st Public Hearing
- c. September 3, 2025 2nd Public Hearing
- d. September 11, 2025 3rd Public Hearing
- e. September 11, 2025 Called Meeting
- f. September 15, 2025 2nd Regular Meeting
- g. September 19, 2025 Called Meeting

Vice-Chairman Hendrix made a motion to approve all minutes, and Commissioner Morales seconded the motion. The motion carried unanimously, 5-0.

7. Citizens wishing to address the Commission – *Citizens will be allowed to address the commission individually for a period of up to 5 minutes.*

a. Kim W. Willman, 487 Tower Cir – Regarding prior year charges for poly cart fees

Chairman Jones recognized Miss Kim Willman of 487 Tower Circle to address the Commission regarding prior-year polycart charges. Miss Willman requested a refund of \$792 for the past five years, asserting that she was charged for a garbage can she did not have, despite having requested one several times.

Administrator Aasheim clarified that the annual fee is applied because a residence (a mobile home with power) exists on the property. Attorney Gross advised that Section 48-2-35 of Georgia law limits refunds for erroneously assessed charges to a maximum of three years, and that County ordinance allows for an abatement of annual fees only if the property is non-occupied, with the property owner required to apply for the abatement annually.

Chairman Jones requested Administrator Aasheim to place the request for possible refund action on the New Business section of the agenda for the meeting on October 20th.

8. Applications for Commission Approval

a. Roads Closures

i. Consideration of a request to abandon a portion of Meridy Road beginning at the western boundary of parcel 060 011 and terminating at the intersection of Meridy Rd and the wooden bridge access

Administrator Aasheim presented a request from Mr. Sean Corbett to abandon a portion of Meridy Road that runs through his property. The section has been problematic due to pond dam failures and washouts. The proposed closure would leave access to the Wooden Bridge open.

Mr. Leon Parish, a southern property owner, stated that he is not opposed to the closure but requested that the County also consider closing the road section from Deal Road northbound to his property line, parcel 061 24. Administrator Aasheim, agreeable to facilitate Mr. Parrish's request, noted that this would require a separate road closing process. Mr. Parrish confirmed that he is requesting the County begin the process of closing the road section from Deal Road northbound to his property line, parcel number 061 024, as long as the wooden bridge access would still be accessible.

Chairman Jones made a motion to approve the current application for the road closure, a portion of Meridy Road beginning at the western boundary of parcel 060 011 and terminating at the intersection of Meridy Rd and the wooden bridge access, which was seconded by Commissioner Williamson. The motion passed unanimously, 5-0.

ii. Consideration of a request to abandon a portion of Defair Loop beginning at Dutch Ford Rd and terminating at or about the intersection of Temples Rd

Administrator Aasheim reported he had not received any communication from anyone either in favor or objecting to this request.

Commissioner Williamson made a motion to approve the request to abandon a portion of Defair Fair Loop, which was seconded by Commissioner Morales. The motion passed unanimously, 5-0.

iii. Consideration of a request to abandon a portion of Coleman Road beginning at Macwac Lake Rd and terminating at Wolfe Creek Rd

Administrator Aasheim noted concerns raised by property owner Mr. Falta regarding mailbox placement, 911 addressing, and property access. Attorney Gross confirmed these issues were largely resolved through separate discussions between the requester, Mr. Mosley, first responders and the USPS.

Commissioner Ross made a motion to abandon the portion of Coleman Road, which was seconded by Commissioner Williamson. The motion passed unanimously, 5-0.

9. Old Business

a. Consideration of options for repair and/or removal of the gymnasium located at 150 S. Register St due to hurricane damages

Administrator Aasheim presented a demolition bid under the state contract, noting that renovation would be significantly more expensive than demolition and that the County has other pressing priorities. The Base Bid for demolition was \$150,457.72, with Add Alternate 1 for sidewalks and steps at \$1,480.92. Add Alternate 2 for hauling masonry was declined, as Public Works may repurpose the brick and masonry for riprap or find a more cost-effective removal method.

Commissioner Williamson made a motion to proceed with the demolition of the old gymnasium, approving the Base Bid for demolition was \$150,457.72, with Add Alternate 1 for sidewalks and steps at \$1,480.92, which was seconded by Commissioner Ross. During discussion, the Board addressed the need for temporary fencing to close the gap created by demolition and prevent unauthorized access to the football field. It was also noted that the project should be scheduled between the end of fall sports and the start of baseball in approximately three weeks.

The motion carried with a 3-2 vote, with Chairman Jones and Vice-Chairman Hendrix voting against. (Exhibit D)

b. Consideration of proposals for repairs and maintenance costs for buildings at the Metter-Candler Recreation Department

Administrator Aasheim requested that this item be tabled. Chairman Jones made a motion to table the consideration of proposals for repairs and maintenance costs for buildings at the Metter-Candler Recreation Department, which was seconded by Vice-Chairman Hendrix. The motion carried unanimously, 5-0.

c. Discussion regarding the Metter-CandlerCounty.com website including proposals for redesign of the site, hosting, mass communication, and discussion of next steps in the project

Administrator Aasheim recommended moving forward with Civic Plus for a website redesign and mass communication system, citing its robust features, ADA compliance solution, and integration capabilities. He proposed funding the \$17,443 web development from the IT budget (via budget amendment) and the \$6,000 mass communication system from the EMA budget. The Administrator was authorized to seek deferred payment for the mass communication system and to negotiate a reduction in the initial annual website cost.

Chairman Jones made a motion to approve the recommendations, which was seconded by Vice-Chairman Hendrix. The motion carried unanimously, 5-0.

d. Consideration of a proposal from Coastal Sports Turf (proposal #2) for annual overseed of limited fields and one fertilizer application at a cost of \$6,950, to be paid from the general fund

Chairman Jones recused himself from this item, and Vice-Chairman Hendrix assumed the chair at 6:51 p.m. Administrator Aasheim recommended approval of Proposal #2 from Coastal Sports Turf in the amount of \$6,950 to overseed the three baseball fields, softball field, and T-ball field with ryegrass and include one fertilizer application. He noted that the new Recreation Director supported the plan.

Commissioner Morales made a motion to approve Proposal #2, which was seconded by Commissioner Ross. The motion carried 4-0. Chairman Jones re-entered the meeting at 6:55 p.m.

e. Discussion regarding a zoning pre-application meeting with Silicon Ranch

Administrator Aasheim reported that during a meeting with himself, Chairman Jones, Commissioner Williamson, Attorney Gross and Silicon Ranch that Silicon Ranch plans to reapply for a commercial solar panel field following the prior denial. The new application is designed to comply with additional setback requirements and vegetative buffers, although the company intends to request a variance to the berm requirement. The company also proposed contributing an additional \$4 million for community projects to be determined by an advisory board through a 501(c)(3) organization.

Attorney Gross recommended notifying the public via the County's Facebook page that the application process has restarted, citing the high level of public tension and controversy surrounding the previous application. No action was taken on this item, as it was provided for informational purposes only.

10. New Business

a. Consideration of a proclamation declaring October as Breast Cancer Awareness Month in Candler County, Georgia

Administrator Aasheim presented a proclamation for Commission approval to declare October as Breast Cancer Awareness Month in Candler County, Georgia

Chairman Jones made a motion to declare October as Breast Cancer Awareness Month, which was seconded by Commissioner Ross. The motion carried unanimously, 5-0. (Exhibit E)

b. Consideration of an amendment to the Candler County Noise and Sound Control Ordinance, Section 5.2, to amend the ordinance to restrict the discharge of fireworks near equine facilities, as proposed and advertised

Administrator Aasheim presented an amendment to the Candler County Noise and Sound Control Ordinance, Section 5.2, to amend the ordinance to restrict the discharge of fireworks near equine facilities, as proposed and advertised as authorized by H.B. 614.

Commissioner Morales made a motion to amend Section 5.2 of the Candler County Noise and Sound Control Ordinance to restrict the discharge of fireworks within 200 yards of equine facilities, as authorized by state law. Chairman Jones seconded the motion, and it carried unanimously, 5-0. (Exhibit F)

c. Consideration of a request from the County Administrator for a budget allocation to the FY26 general fund budget, information technology division (1535), for \$2,160 for software license fees to purchase annual subscriptions for Microsoft Office as part of the Windows 11 project

Administrator Aasheim requested a \$2,160 allocation from the General Fund to purchase annual Microsoft Office subscriptions, noting that these licenses can no longer be purchased as capital assets under SPLOST.

Chairman Jones made a motion to approve the expenditure, which was seconded by Commissioner Ross. The motion carried unanimously, 5-0.

d. Notification from the State Properties Commission of intent to terminate the lease of space at 25 W. Daniel St., discussion regarding the termination period, and discussion of acceptance of the notification

Administrator Aasheim informed the Board that the State Properties Commission intends to terminate the adult education lease at 25 West Daniel Street with 120 days' notice. He noted that the building is debt-free and that the termination will result in approximately 1,800 square feet of available governmental space. No action was needed for this item.

e. Consideration of a recommendation from the Metter-Candler Airport Authority for the re-appointment of Mr. Ralph Clifton to the Authority Board for a term to begin on January 1, 2026 and expire on December 31, 2028

Administrator Aasheim presented a recommendation letter from the from the Metter-Candler Airport Authority for the re-appointment of Mr. Ralph Clifton to the Authority Board for a term to begin on January 1, 2026 and expire on December 31, 2028.

Vice-Chairman Hendrix made a motion to approve the reappointment of Mr. Ralph Clifton to the Metter Candler County Airport Authority for a term expiring December 31, 2028, which was seconded by Chairman Jones. The motion carried unanimously, 5-0.

f. Consideration if a proposal for RightSpot GIS Services from Spatial Engineering for the period of November 1, 2025 through October 31, 2026, at a cost of \$28,800 to be paid from the general fund, and as included in the FY26 budget

Administrator Aasheim presented a proposal from RightSpot GIS Services, explaining that \$4,800 of the total amount covers the annual license fee, while the remainder represents an estimated cost for hourly services to be billed throughout the year. He noted that these expenses have remained consistent and within budget each year, with the same total amount included in the approved FY2026 budget for the fourth consecutive year.

Commissioner Morales made a motion to approve the proposal from Spatial Engineering for RightSpot GIS services in the amount of \$28,800, to be paid from the General Fund as included in the FY26 budget. Commissioner Ross seconded the motion, and it carried unanimously, 5-0. (Exhibit G)

g. Consideration of a resolution to provide worker's compensation coverage, under the county's agreement with ACCG, for volunteers involved in public safety and emergency management operations

Administrator Aasheim explained that the proposed resolution provides workers' compensation coverage under the ACCG agreement to protect the County from liability for volunteers—such as the CERT team—who may be injured during public safety or emergency management operations. Attorney Gross expanded on the need to ensure volunteers in case they get hurt during voluntary services.

Chairman Jones made a motion to adopt the resolution to provide coverage for volunteers involved in public safety and emergency management operations, specifically including emergency management, rescue, and elected officials. Commissioner Ross seconded the motion, and it carried unanimously, 5-0. (Exhibit H)

11. County Administrator Report

Administrator Aasheim updated the Board on recent staffing transitions, including the start of Code Enforcement Officer Jonathan Paine, Recreation Director Logan McCullough, and the reassignment of Ladarius Woods to the Recreation Department, and Becky Loveall to the Administration Office. He also notified the Board of upcoming events, including a public forum tomorrow night, the Planning and Zoning meeting tomorrow at 5:00 p.m., and the Recreation Advisory Board meeting on Wednesday at 6:00 p.m. Administrator Aasheim concluded his report by informing the Board that individuals have been positively identified violating the County's Solid Waste and Scrap Tire Ordinance, which prohibits dumpster diving on County property. He explained that these violations have resulted in littering, disturbances, and inappropriate activities occurring around and behind the dumpsters. Administrator Aasheim stated his intent to pursue prosecution of the offenders, pending no objections from the Board.

12. County Attorney Report

Attorney Gross had nothing to report at this meeting.

13. Commissioner Reports

District 1 – Commissioner David Morales had nothing to report at this meeting.

District 2 – Commissioner Jonathan Williamson had nothing to report at this meeting.

District 3 – Commissioner Tre' Ross had nothing to report at this meeting.

District 4 – Vice-Chairman Blake Hendrix stated the Board of Education donated an Automated External Defibrillator (AED) to the recreation department. It is currently locked in the old concession stand. Administrator Aasheim suggested a lock box with a code that would allow coaches and middle school coached so that they can access the AED.

14. Chairman's Report –

Chairman Jones requested information on the Lake Church Road Project. Administrator Aasheim explained the Notice to Proceed has been issued, and we are currently waiting for mobilization, and the contractor has 150 days.

15. Executive Session

There was no call for an executive session during this meeting.

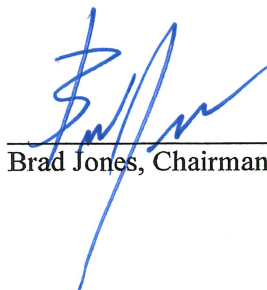

16. Adjournment

At 7:26 p.m., Commissioner Morales moved to adjourn the meeting. Commissioner Williamson provided the second to the motion. The motion carried 5-0.

CONSTRUCTION OBSERVATION REPORT

EMC Inspector: Ty Mingle **Time & Date of Inspection:** 12:30 PM on October 2, 2025

Project Title: Candler County TIA - East Hiawatha Paving Project

Project Location: East Hiawatha ST, Metter , Candler County, GA

Weather Conditions: Sunny **Temperature:** 76° F **Rainfall:** 0.00" last 24 hrs

EMC Project #: 23-2035 **Client/Owner:** Candler CO Board of Commisioners

Prime Contractor: Sikes Brother's Inc. - Utility Subcontractor - Taylor Brothers Inc.

Features of Work Observed:

Traveled to site to perform weekly NPDES inspection.

Contractor was on site during time of inspection continuing on-going grading and excavation operations, as seen in photos 1-2.

Silt fence protection, Sd1-Ns is properly maintained and in good condition allowing no sediment tracking off site, as seen in photo 3.

As seen in previous reports, STMH boxes need proper protection reset and re-staked, as seen in photo 4. This precaution is to keep sediment from inundating the structure. Spoke with contractor today during time of inspection, and they stated that protection will be re-staked and reset by the end of the week. Contractor has new stakes and silt fence, Sd1-S laid-out and prepared for installation operations.

Prior to inspection, Contractor has installed gas line near STA 1+00, as seen in photo 5.

Contractor has completed ditch excavation operations and installed GABC near southern perimeter of the site, as seen in photo 6. A Smooth-Drum Roller was used to compact the area.

Contractor is advised to keep all BMPs maintained and functioning properly for the duration of the project.

See photos below for additional information.

Does all work appear to be in accordance with plans and specifications? YES ☒ NO ☐

If NO, deficiencies noted:

CONSTRUCTION OBSERVATION REPORT

EMC Inspector: Daniel Chicola

Time & Date of Inspection: 9-26-25 at 7:30 AM

Project Title: Candler County TIA - East Hiawatha Paving Project

Project Location: East Hiawatha ST, Metter, Candler County, GA

Weather Conditions: Clear

Temperature: 80° F

Rainfall: 0.00" last 24 hrs

EMC Project #: 23-2035

Client/Owner: Candler CO Board of Commissioners

Prime Contractor: Sikes Brother's Inc.

Features of Work Observed:

Traveled to site to observe proof roll on sub-grade from STA 37+25 to 42+00, the West side of the project. The final grades in this area have been raised one foot to ensure additional vertical separation from the base flow of the ditches in this area.

Whitaker Labs was present and performed two density test through out the corridor, both passed.

A proof roll was performed with a loaded tandem axle dump truck. Two areas along the outside edge of pavement were soft. A 40' area in the East bound lane and a 80' area in the West bound lane. Both were undercut four feet wide and 1' deep and backfilled with GABC per the recommendation of Whitaker labs.

The corrective work was observed and the areas were compacted sufficiently prior to beginning the placement of GABC through out this corridor.

The contractor used a base roller to re-compact the sub-grade prior to the GABC being installed. The GABC was also compacted after it was graded with the Dozer.

See photos on the next page for additional information.

Does all work appear to be in accordance with plans and specifications? YES ☒ NO ☐

If NO, deficiencies noted:

After Corrective work was completed the proof rolled sub-grade PASSED

CONSTRUCTION OBSERVATION REPORT

EMC Inspector: Ty Mingle

Time & Date of Inspection: 11:00AM on September 18, 2025

Project Title: Candler County TIA - East Hiawatha Paving Project

Project Location: East Hiawatha ST, Metter, Candler County, GA

Weather Conditions: Sunny

Temperature: 79° F

Rainfall: 0.00" last 24 hrs

EMC Project #: 23-2035

Client/Owner: Candler CO Board of Commisioners

Prime Contractor: Sikes Brother's Inc. - Utility Subcontractor - Taylor Brothers Inc.

Features of Work Observed:

Traveled to site, to perform weekly NPDES inspection.

Contractor was not on site during time of inspection, GABC has been applied to the entrance of the site. Grading operations are on-going, as seen in photos 1-2.

Silt fence protection is maintained and properly functioning, as seen in photo 3.

As stated in previous reports, STMH box needs proper protection reset and re-staked, as seen in photos 4-5.

Contractor is continuing on-going ditch excavation operations as seen in photo 6.

Contractor is advised that all BMPs remain properly maintained for the duration of the project.

See photos on the next page for additional information.

Does all work appear to be in accordance with plans and specifications?

YES ☒ NO ☐

If NO, deficiencies noted:

CONSTRUCTION OBSERVATION REPORT

EMC Inspector: Ty Mingle

Time & Date of Inspection: 3:15 PM on September 11, 2025

Project Title: Candler County TIA - East Hiawatha Paving Project

Project Location: East Hiawatha ST, Metter, Candler County, GA

Weather Conditions: Sunny

Temperature: 85° F

Rainfall: 0.00" last 24 hrs

EMC Project #: 23-2035

Client/Owner: Candler CO Board of Commissioners

Prime Contractor: Sikes Brother's Inc. - Utility Subcontractor - Taylor Brothers Inc.

Features of Work Observed:

Traveled to site to perform weekly NPDES inspection.

Contractor was on site during time of inspection continuing ongoing excavation of ditches, as seen in photo 1. This is to help aid ongoing drainage issues on site.

Prior to inspection contractor began installing retaining walls for the storm drain installation, as seen in photos 2-3.

As seen in recent reports, there are on-going drainage issues at E Hiawatha that have caused an abundance of water at the southern perimeter of the site. Prior to inspection contractor was continuing ongoing excavation operations to resolve this issue, as seen in photo 4

FES needs proper protection at the entrance of the site, as seen in photo 5.

Silt fence Sd1-Ns is in good condition and properly functioning. Drive way markings have been marked for future paving operations, as seen in photo 6.

Contractor is advised to keep all BMPs maintained and functioning properly for the duration of the project.

See photos below for additional information.

Date

Scope of Work
Demolish Gymnasium
Candler County Board of Commissioners
Metter, GA

September 17, 2025

Contractor:
Lynn Construction Contracting Inc.
10789 US HWY 280
Claxton, GA 30417

Project Description:

Contractor is to provide the following items of work:

- This proposal includes demolition, debris hauling, and disposal of the existing gymnasium.
- Backfilling/compaction of earthen depressions created by demolition operations is to be performed by others.

- Topsoiling, grading, grassing, etc. after removal of gymnasium is to be performed by others.

- It is assumed that there are no hazardous materials based on the statement of work provided. No hazardous material removal/disposal is included in this proposal.

- Base Bid: \$150,457.72. Includes demolition/debris hauling/disposal of the existing Gymnasium building. Demolished masonry is to be stockpiled on the site for future removal by the Owner.

- Add Alternate 1: \$1,480.92. Includes the demolition/debris hauling/disposal of the existing sidewalks in the building front, building side, and from the building to the street. This alternate also includes the demolition/debris hauling/disposal of the existing concrete culverts adjacent to the street.

OMIT -Add Alternate 2: \$27,065.95. Includes the loading/debris hauling/disposal of the existing masonry demolished from off the site (should the Owner elect to not have the masonry debris stockpiled on the site).

OMIT -Add Alternate 3: \$13,783.51. Includes the installation of new chain-link fencing in the open void being created by the demolition of the Gymnasium.

Plans and specifications:

- Per site visit

Schedule and execution:

- This project should be completed in 45 days from start of construction.

Exclusions:

- Fees and Permits

- Davis Bacon Wage Rates
- Disconnecting permanent utilities from building. Any existing utility services are to be terminated or capped off by the owner prior to contractor demolishing the building (water, sewer, communications, electrical, gas).
- Work within the area of the old fuel tank location.

Provide the following upon Contract Closeout:

- Final Invoice & Release of Claims

Proclamation

NATIONAL BREAST CANCER AWARENESS MONTH

- WHEREAS,** October 2025 is National Breast Cancer Awareness Month;
- WHEREAS,** National Breast Cancer Awareness Month (NBCAM) educates women about early breast cancer detection, diagnosis and treatment;
- WHEREAS,** National Breast Cancer Awareness Month is dedicated to increasing public knowledge about the importance of early detection of breast cancer with national public service organizations, professional associations, and government agencies, who work together to ensure that the NBCAM message is heard by thousands of women and their families;
- WHEREAS,** October 17, 2025 is National Mammography Day and, on this day, or throughout the month, women are encouraged to make a mammography appointment;
- WHEREAS,** mammograms are the best method to detect breast cancer early when it is easier to treat;
- WHEREAS,** breast cancer is the most common cancer among American women, except for skin cancers;
- WHEREAS,** the chance of developing invasive breast cancer at some time in a woman's life is about 1 in 8;
- WHEREAS,** death rates from breast cancer have been declining, and this change is believed to be the result of earlier detection through screening, increased awareness and improved treatment; and
- WHEREAS,** NBCAM recognizes that although many great strides have been made in breast cancer awareness and treatment, there remains much to be accomplished.

NOW THEREFORE, we, the Board of Commissioners of Candler County, Georgia do hereby proclaim the month of October 2025 as "Breast Cancer Awareness Month" in Candler County, Georgia and ask all employees and citizens to join in this worthwhile cause, to celebrate successes and memorialize lost battles.

SO RESOLVED AND ADOPTED this 6th day of October 2025.

Exhibit F

STATE OF GEORGIA**COUNTY OF CANDLER****AMENDMENT TO NOISE AND SOUND CONTROL ORDINANCE**

WHEREAS, the Board of Commissioners of Candler County is charged with the responsibility of protecting the health, safety and welfare of the citizens of Candler County and as such, is authorized to enact ordinances governing activities and properties in the unincorporated areas of Candler County, Georgia;

WHEREAS, the Board of Commissioners find it necessary to establish standards that will reduce excessive community noises which are harmful and otherwise detrimental to individuals and to the community in the enjoyment of life and property and in the conduct of business;

NOW THEREFORE, be it resolved by the Candler County Board of Commissioners that the Candler County Code of Ordinances, entitled "Noise and Sound Control Ordinance," is hereby amended to include the following:

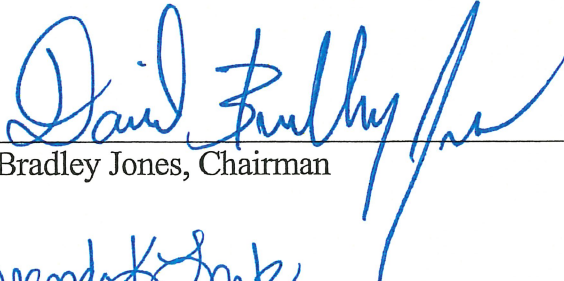

"5.2 The use and ignition of consumer fireworks up to 200 yards from a facility housing equines in a confined area is hereby prohibited. Equine is defined as any member of the Equidae family, including horses, mules, hinnies, and asses."

RightSpot GIS Services Candler County, GA

1 Background

This proposal continues Candler County (COUNTY) RightSpot GIS services to provide a wholistic approach to managing and maintaining the COUNTY's Geographic Information System (GIS). The long-term goal for GIS is to support all appropriate COUNTY business functions. This proposal is valid for 90 days from date of submittal.

3 Definitions

As-Built	Drawings/documents designated an "as built" or "as constructed" record.
CADD	Computer Aided Drafting and Design
ESD	Effective Start Date
GIS	Geographic Information System
HTML5	Revision 5 of the "Hypertext Markup Language", the standard programming language for describing the contents and appearance of Web pages.
HTTPS	"HyperText Transport Protocol Secure." Website using the HTTPS protocol to encrypt data sent back and forth with SSL encryption.
NA	Not Applicable
Named User	Designated individuals assigned a unique login and granted specific access to the COUNTY's data.
PoP	Period of Performance. The contract duration.

4 Task 1 – RightSpot™ Web Portal

4.1 Approach:

SPATIAL will provide and maintain the RightSpot™ web portal based on the COUNTY's GIS data. SPATIAL will coordinate with the COUNTY to determine what data to load into RightSpot. The data will be available to authorized users only. Unless otherwise specified, data access will be READ ONLY. The intent is for RightSpot to be the COUNTY's internal GIS. SPATIAL will not edit or change COUNTY data as part of this task.

4.2 Scope of Work:

1. Provide system administration and geodatabase management.
2. Provide 24/7/365 backup.
3. Provide RSA 4096-bit secure HTTPS encryption.
4. Provide 10 named user accounts.
5. Provide read access using standard web browsers like Edge and Chrome.
(Tablet and Smartphone access requires internet access)
6. Provide access to RightSpot's tools and workflows.

4.3 Deliverables:

1. Data access via RightSpot.

4.4 Travel:

None.

4.5 Schedule:

October 1, 2025 to September 30, 2026

4.6 Assumptions:

1. RightSpot access for authorized named users only.
2. Web access does not include public web map services.
3. Standard RightSpot set-up procedures apply.
4. This task does not include data cleanup and conversion. Data processing performed under Task 2 – On-call Support.
5. SPATIAL does not guarantee against natural disaster or forces outside of our control.
6. SPATIAL does not guarantee network connectivity between our demarcation point and the COUNTY's demarcation point.
7. To ensure system health and a rapid recovery in the event of hardware failure, Spatial Engineering uses external monitoring services and daily backups. If system downtime occurs, we will maintain contact with your organization's POC while the issue is being resolved. SPATIAL will restore service as quickly as possible.

5 Task 2 – Data Maintenance and On-Call Support

5.1 Approach:

Provide support for parcel and other data updates, analysis, maps, field collection, application development, etc. on an as needed basis. The County Administrator, or their designee, must approve request prior to beginning work.

5.2 Scope of Work:

1. SPATIAL will provide GIS and data maintenance services as requested.
2. The COUNTY may request services using email or telephone.
3. On-Call Support may include, but is not limited to:
 - a. Data updates
 - b. Field data collection, Drone aerial collection, and GPS survey
 - c. Custom workflows and configurations
 - d. GIS analysis and products
 - e. Map production
 - f. GIS technical "help desk" support
 - g. Field verification of as-built data and input into RightSpot
 - h. Update parcel fabric using Coordinate Geometry (COGO) if at all possible. Where parcel data does not support COGO, "best fit" digitizing may be used.
 - i. Once per year, submit the COUNTY's GIS information to the Department of Revenue (DOR) as part of the COUNTY's digest submission. Prior to submission, SPATIAL will execute a Discrepancy Report and work with the COUNTY to reconcile any issues prior to submitting. Submissions will be based on submission instructions provided from the COUNTY.
 - j. Transfer data to QPublic based on county guidance. SPATIAL will execute a Discrepancy Report and work with the COUNTY to reconcile any issues prior to submitting to QPublic.

5.3 Deliverables:

1. Provide services as requested.
2. Incorporate resulting GIS data and products into the COUNTY's GIS geodatabase.

5.4 Travel:

1. Local mileage.

RightSpot GIS Services Candler County, GA

5.5 Schedule:

1. Task schedule based on specific requests.

5.6 Assumptions:

1. Only the County Administrator or their designee may assign/approve tasks.
2. SPATIAL will request authorization to proceed for individual tasks estimated more than \$2,000.

6 Cost Estimate

Task	Units	Cost/Yr	Extended
Item 1 – RightSpot™			
RightSpot (10/1/2025 – 9/30/2026)	1	\$4,800.00	\$4,800.00
Setup (waived-renewal)		\$0.00	\$0.00
Item 1 – Total			\$4,800.00
Item 2 – On-Call Support (OCS)			
OCS (10/1/2025 – 9/30/2026)	1	\$24,000.00	\$24,000.00
Item 2 – Total			\$24,000.00
TOTAL			\$28,800.00
Notes: 1. The cost for Item 1-RightSpot is fixed for the contract period. Payment is due at the beginning of the contract period. 2. SPATIAL has the right to re-negotiate the amount at the anniversary of the contract. SPATIAL will provide 90-day notice to the CITY of any proposed change to the fee. 3. Cost assumptions are presented under each Item above. 4. The cost of On-Call Support will vary depending on services requested.			

7 Renewal and Cancellation Policy

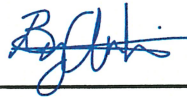

The contract period for the services defined herein begin **October 1, 2025** and continue through September 30, 2026.

The contract will automatically renew on the anniversary date for an additional one-year term unless the COUNTY notifies SPATIAL in writing of the COUNTY's desire to terminate services. The COUNTY and SPATIAL may terminate services any time provided the receiving party is given a 30-day notice. Upon termination and satisfaction of all outstanding invoices, SPATIAL will return all COUNTY data within 15 working days in an industry standard format.
