

Metter Candler Recreation Department is seeking qualified candidates for the position of Maintenance Worker. Applicants must have a high school diploma or equivalent and current Georgia Driver's License. Duties and responsibilities include: routine landscaping and turf maintenance including water, trim, mow, rake & aeration, repair of water lines, sprinkler valves and heads, cleaning and repairing park structures and facilities. Applicant will assist with preparation for athletic activities and assist in the basic maintenance, preparation, layout, painting and lining of softball, baseball, soccer and football fields. This position requires work early mornings, nights and weekends. A drug test and background check are required prior to employment.

Applications are available at the Metter-Candler Recreation Department. Candler County is an equal opportunity employer.

Bryan Aasheim
