## ADDENDA #1

### 428 N ROUNTREE ST HVAC REPLACEMENT PROPOSAL

A bidder has requested to be allowed to provide an alternate bid (Alternate #1) which deviates from the original specifications of the Request for Proposal as follows:

#### **Substitution:**

**2 x Three (3) Ton Heat Pump Systems in lieu of the one (1) 6 Ton Split Heat Pump system**

This substitution may represent a savings to the owner by limiting the amount of on-site construction work necessary to complete the job. Bidders are encouraged to submit proposals for the original RFP specifications and the Alternate #1 option. Please label each bid accordingly if submitted.
